

Magill Estate

RESTAURANT

“...True excellence is a constant and endless journey
– it is not a destination.”

Max E. Schubert O.B.E. (1915-1994)

“Whether you are a devotee of Penfolds or just beginning to explore the world of wine, our winemaking team offers a diverse selection of wine styles to tempt every palate and every taste. It is this range and depth of wine, combined with the company’s history and heritage, which is showcased at Penfolds Magill Estate Restaurant. Not only does the restaurant have a fine range of recent release Penfolds wine by the glass, but its museum of Penfolds back vintage wines is not matched anywhere else in Australia. Memories of all my fine wine experiences are influenced by the friends I share it with, the food with which the wine was matched, and the ambience of the occasion. I hope that in the setting of Penfolds Magill Estate Restaurant you will enjoy some of Australia’s finest Penfolds wine, excellent food and good company, as I always have.”

Peter Gago - Penfolds Chief Winemaker (2002-present)

Many of these wines are unique to the restaurant and are in limited supply. If unavailable, a suitable alternative will be recommended. These exclusive wines may also be purchased by the bottle, through the restaurant's cellar door for enjoyment on a special occasion.
