

PENFOLDS BIN 51

EDEN VALLEY RIESLING 2007

Created as part of the evolving PENFOLDS white wine development program, PENFOLDS Bin 51 Eden Valley Riesling captures the essence of the Eden Valley Riesling style. The region's high altitude and cool climate produces Rieslings of great complexity and capacity for long term cellaring.

South Australia is gaining worldwide recognition for producing definitive Australian Rieslings, with the Eden Valley at the very head of the field. The wines show typically focused apple and lime aromas, with a mineral edge and marked natural acidity contributing significantly to the palate feel and flavour. The development of PENFOLDS Bin 51 Eden Valley Riesling marks a new chapter in a long history of PENFOLDS involvement in fine winemaking from this variety.

VINEYARD REGION	Eden Valley
VINTAGE CONDITIONS	Temperatures in the lead up to January were around average. Hot conditions in January and February were exacerbated by well below average winter rainfall. A small amount of rainfall in January provided some relief and allowed even (albeit early) ripening.
GRAPE VARIETY	Riesling
MATURATION	This wine was matured in stainless steel to maintain varietal purity.
WINE ANALYSIS	Alc/Vol: 12.5% Acidity: pH:
LAST TASTED	25.06.2007
PEAK DRINKING	Now to 2014
FOOD MATCHES	Aperitif, Asian, Seafood

COLOUR

Pale white.

NOSE

The nose shows typical Eden Valley aromatics with notes of lifted orange blossom and freshly dices Pink Lady apples.

PALATE

The palate brims with the alluring fruit flavours of blood orange, passionfruit and lime leaf, all balanced with a natural, zesty lemon acid. This is a tightly structured wine which appealing to drink now, will continue to develop over the coming five to seven years.
